

## **Diana Alaniz Moreno**

Mr. Vranish:

I remember the basketball games, hockey games and if I'm correct – was it Astroworld; or Fiesta Texas? Anywho, I have a load of fun memories. One, where during a pep rally Chano (Shano?), was trying to win the mascot position and he dedicated it to you with a few songs – one in Spanish; begging you not to leave (taking a Superintendent's job in another school district).

You made a great impact on many of us, even the real hard to reach kids. Everything seemed to be in order, under control, and better, when you were there and you were missed. You were always sweet, always smiling and one of the best people I got a chance to know – a true blessing!

**Era:** Mathis ISD Job: 1993 - 1997

**Relationship:** Diana was, and still is a NUT; in the most fun and beautiful way. This attractive young (now grown) lady is one of Paul's favorites to watch on Facebook as you NEVER know what she will post next! We are glad that you have fond memories of our time together in Mathis, Diana. We left before you graduated, but are glad to be connected with you now.
