

Carpet Magic

This fine El Paso small business has been chosen to receive the 2013 Best of El Paso Award by the El Paso Award Program in the Category of Carpet and Rug Dealers! The El Paso Awards Program honors the achievements of businesses whose services meet outstanding quality standards. It is our pleasure to share our Carpet Magic experience!

Carpet Magic has been the go-to business for all the Vranish family's carpet and upholstery cleaning for the past 10 years! They have provided excellent service at an affordable cost. Many of their employees have remained on staff for the long-term; therefore, since we are 'repeat' customers, we often enjoy 'catching up' with recent events in our technician's lives. They also specialize in additional services, including: air duct cleaning, tile and duct cleaning, water damage restoration and more! Check out their website, and please consider utilizing Carpet Magic's services for your special cleaning needs!
