

**Carolina Gonzalez**

Well they are a lot of memories I have with both of you but, first of all, I would like to appreciate everything you guys have done and helped me out. Marla Vranish thanks for helping me every time I would go to your office; and Paul Vranish, I will always remember you because you made possible for me to visit many places I'd probably not go. The best memory I have is the time your daughter n me did that crazy hair at the Minnesota State Fair. You were impressed with my Mohawk and laughed! We still have that bowling date. Whenever you are free let me know and we will go get that match. Thank you for everything. You made possible my stories that I tell today from me going on the trips.
