

Horizon Express Cleaners

Eleven years ago, when we moved to Horizon City, certain conveniences were either limited or non-existent with regard to service-oriented businesses. As the years have passed, we have experienced a steady influx of commercial growth that included the arrival of Express Cleaners, a dry-cleaning establishment that serves the Horizon City and surrounding areas.

When Express Cleaners opened for business, it was a happy day for the Vranish Family! No more traipsing into El Paso to have our nice clothes cleaned and/or laundered! Couple that with the warm, friendly, outgoing staff that is in charge - and you had a long-term friendship in the making. Express Cleaners continues to provide excellent and speedy services at a reasonable price. Stop by and check out their frequent daily discounts!
