Responding to Paul's Facebook comment, that the 2013 NBA Championship between Miami and San Antonio is a good series, and remembering how Paul used to take Mathis kids to Houston Rocket games:

"Mr. Vranish, I agree. Are you still a Houston fan? I remember taking the high school students to incentive trips there. The good ole' Mathis High days! (I don't miss driving the bus back) The world is going to miss administrators like you. I know I do. Hopefully, we will be celebrating a SA Spurs' victory real soon!!"

Era: Mathis ISD Job: 1993 - 1997
