

**Carlos Moreno**

Well... I don't know where to begin. We met years ago and I am speechless to know you will no longer form a part of the district. Although it is true that all good things come to an end. I would like to say that my High School years were the best part of my life, due to its simplicity, but I would be lying to myself. I have a whole life to live; many things to see and experience. But it WAS during those High School years that I met one of the most selfless, hardworking couples; besides my parents. You helped me get so many things organized and planned out as they should've been. I couldn't have been more grateful than to have you and Paul Vranish there 5 days a week, from 8 to 5; although in reality you both were there any time in need. I can truly say that I have found a friend for life in you Marla Vranish. May God bless you ever so more for the years to come. Now that the time has come, I hope you enjoy and cherish your retirement. I have said it before and I'll say it again, if you ever need anything NEVER hesitate to give me a call. You will always have a special place in my heart for being there in my times of need.
