Paul Vranish, thank you so much for all your support and confidence! It was an honor to work beside you for ten years! I am proud to have had you as a supervisor and even prouder to call you a friend. You, Marla, Kinsleigh, & Josh will always be in my thoughts. And, I hope that if the time ever arises and you need anything you won't hesitate to call upon me. ♥ Miranda :)

Please, please come and visit S.A. soon!

Era: Tornillo ISD Job: 2002 - 2013

Relationship: When Paul hired Miranda, she had big shoes to fill; replacing Martha Tittle. She worked real hard, she brought many programs in which helped our community, she gave of herself often, and, like Martha, she cared with all her heart. This Facebook post I made in May 2013 really says it well....

Stephanie Garcia and her aide traveling to Austin - Texas School for the Blind. This great Tornillo student was saved from a non-cancer brain tumor by the tireless efforts of former School Nurse Miranda Peck. Miranda arranged for this uninsured child to get the care which saved her life.
