Responding to Paul's Facebook comment, "When I was young there was a song that I think pertains to Tornillo ISD hiring: Baby come back! Any kind of fool could see, there was something - in everything about you."

Ohhh! Thank you Mr. Vranish! I miss you guys so much! My heart is still in Tornillo. Sometimes kids run up to me and I don't recognize them and are my kids from Tornillo; I get very excited! I feel very fortunate to begin my career with you guys. Everybody was kind and sincere and what can I say about you. I still haven't met anybody so brilliant and dedicated like you. They are very lucky to have you. Over here at Eastwood I am always comparing and talking about all the great things you do for the schools, teachers, community and they tell me, "There she goes again, the Tornillo fan#1 - ha, ha, ha! God bless you and your family! How is Marla your beautiful wife?"

Era: Tornillo ISD Job: 2002 - 2013

Relationship: Ruby was a first year teacher when Paul hired her in Tornillo. She did a fantastic job and we were all sad when she left us to take a job closer to her home and available child care. The Vranish's enjoy following Ruby's family life through Facebook posts.
