

**Martha Tittle**

God will grant you the peace you deserve in your life. Thank you for awesome job for letting those children in Tornillo see there is a world outside of Tornillo. Tee shirts and pencils will never replace memories of the TAKS trips that gave them a vision. Your countless hours of you working to place those students will never be forgotten by those you touched... You have done what God put you on this earth to be - a "server." And always remember, "No weapon formed against you shall prosper!" Isaiah 54:17.
